

## CSE Key Votes H.R. 2, the “Jobs and Growth Reconciliation Tax Act of 2003”

May 7, 2003

On behalf of the 280,000 members of Citizens for a Sound Economy (CSE), I urge you to **vote YES** on H.R. 2, the “Jobs and Growth Reconciliation Tax Act of 2003.”

H.R. 2 would provide for economic growth that follows President Bush’s economic growth and jobs creation plan. H.R. 2 would increase the resources available to entrepreneurs, investors, and consumers while providing better incentives to put those resources to work in ways that create jobs and expand the economy. H.R. 2 would advance fundamental tax reform, with across-the-board reductions in marginal rates. Moreover, the “Jobs and Growth Act” would provide America’s entrepreneurs with the resources to expand their businesses and create new jobs.

CSE will count the vote on H.R. 2 as a **KEY VOTE** to be reported to our members in your state. This **KEY VOTE** will be used to determine your eligibility for our *Jefferson Award*, to be presented at the conclusion of the 108<sup>th</sup> Congress. This award is provided to those legislators that espouse the CSE principles of limited government, lower taxes, and more freedom.

Sincerely,

Paul Beckner,  
President and CEO
